Description:

This is a Pack 2 continuation evidence index for financial documentation, prepared for housing affordability assessment. It is designed to be pasted into (or stored alongside) the Pack 2 evidence folder and referenced in email submission. The wording is factual, minimal, and council-facing.

Purpose:

Continuation submission of financial evidence as requested (“last three months bank statements for all accounts held in your name”),
to enable the council affordability assessment for private accommodation (including consideration of rent in advance and deposit support where applicable).

Method of submission:

Secure link via Proton Drive (access-controlled).

Pack relationship / continuity:

- Pack 1 already provided (Housing_Submission_Log_2026-01-07_SEND): Barclays (3 months) + Santander (3 months) + Revolut + PayPal.
- Pack 2 (this submission): remaining declared accounts/platforms (see below).

Evidence pack note:

The last 3 months’ statements for all accounts held in my name are being provided via the link below (log file provided for summary).

EVIDENCE INDEX – PACK 2

1) First Direct – Personal account

- Statement period: 21 August 2025 to 20 September 2025.
- Note: This is the most recent statement available. The balance remained £0.00 after this period (no further transactions),
therefore no later statements exist for the requested three-month window.

2) Tide – Business account

- Statement period: 01 October 2025 to 31 December 2025.
- Evidence included: monthly statements for October 2025, November 2025, December 2025.

3) Freetrade – Investment platform

- Statement period: 01 October 2025 to 31 December 2025.
- Evidence included: monthly statements for October 2025, November 2025, December 2025.

4) Crypto.com – Card transactions record

- Statement date range: 11 October 2025 to 11 January 2026 (3 months).
- Note: platform-generated statement.

Declared accounts / platforms – no statements for last 3 months (no activity and/or no platform-issued statement product for the period):

- Uphold – digital asset platform: no transactions in the last 3 months; no platform-issued monthly statement available for this period.
- Exodus – non-custodial wallet: no transactions in the last 3 months; no platform-issued statement available for this period.
- Google Pay / Google Wallet – payment method layer (not a bank account): no separate statements; underlying activity is reflected in the linked accounts used for payment.

Operational notes (minimal):

- All accounts held in my name are declared for completeness.
- Where an account has no statement for the requested period, this is stated factually (no activity and/or no statement product for that period).
- If a different period or additional format is required for the affordability assessment, I will provide it on request.
